Project Title (maximum 300 characters): Emerald Ash Borer National Survey			
Park-assigned Study or Activity #: SHEN-00349	Park-assigned Permit #: SHEN-2008-SCI-0008	Permit Start Date: May 07, 2008	Permit Expiration Date: Aug 31, 2008
Scientific Study Starting Date: May 07, 2008		Estimated Scientific Study Ending Date: Aug 31, 2008	
For either a Scientific Study or a Science Education Activity, the status is: Completed		For a Scientific Study that is completed, please check each of the following that applies: <input checked="" type="checkbox"/> A final report has been provided to the park or will be provided to the park within the next two years <input type="checkbox"/> Copies of field notes, data files, photos, or other study records, as agreed, have been provided to the park <input type="checkbox"/> All collected and retained specimens have been cataloged into the NPS catalog system and NPS has processed loan agreements as needed	
Activity Type: Monitoring			
Subject/Discipline: Integrated Pest Mgmt.			

Purpose of Scientific Study or Science Education Activity during the reporting year (maximum 4000 characters):

to detect the possible presence of emerald ash borer as part of "a trapping survey to target high risk sites and establishments in non-infested States where potentially infested articles such as...ash logs and firewood may have moved a long distance from the generally infested area.

Findings and status of Scientific Study or accomplishments of Science Education Activity during the reporting year (maximum 4000 characters):

No emerald Ash Borer where detected in the park during the permit period. Eight EAB traps were placed at each of the 4 camp grounds (2 at each location). The traps were serviced twice a month and removed at the end of the permit time frame.

For Scientific Studies (not Science Education Activities), were any specimens collected and removed from the park but not destroyed during analysis?

No

Funding specifically used in this park this reporting year that was provided by NPS (enter dollar amount):

\$0

Funding specifically used in this park this reporting year that was provided by all other sources (enter dollar amount):

\$0
